Notice of General Meeting

Dec 6, 2018

The next TORC General Meeting is January 26th at 9am at the THSC clubhouse. Take note that is an earlier time than normal.

Please submit your agenda items before January 7th.

Also at this meeting, the Toronto Outboard Racing Club is pleased to welcome guest speaker Andrew Gryguc from Speedmaster Marine. Andrew will be giving an approximately 1 hour demonstration and Q&A on using data acquisition computers (DAQ) in boat racing. Specifically the AIM MyChron systems, and how this data can be used to make you faster and learn about your equipment and your driving habits.

Please contact TORC club secretary Andrew Fralick at andrew4ce@gmail.com if you intend to attend so we can get a feel for numbers of people.

Schedule of events:

9am-10:45am - TORC general meeting (meeting agenda will be issued at later date)

10:45am -11am – short break

11am-12pm – DAQ/MyChron presentation

12pm – Pizza @ \$5 for 2 slices. Pop machine on site, or coffee is usually available too, or BYOB.

Pizza, must be pre ordered via Andrew Fralick.

Choices for Pizza:

Canadian (pepperoni, mushrooms, bacon crumble and mozzarella cheese)

Super (mushrooms, green peppers, pepperoni, and mozzarella cheese)

Pepperoni

(or if you need/want something special, let me know. See what we can do)

Also on hand will be the 2019 order of TORC apparel for sale, and the most recent order of Prop Socks for pickup if wanted.

And a reminder that the Toronto Boat Show is also on during this weekend/preceding week. An A class boat will be on display in the main room at CBF booth #1769. Make a day or weekend of it if coming in from out of town and drop by and say Hi to the volunteers and help talk to interested passer byers about boat racing! I'll be heading over after the lunch, you are welcome to join.

For more information on any of the above, please feel free to contact me.

Hope to see you there, and have a great Christmas!

Andrew Fralick
TORC Secretary
